

## **Studio Access - Important Information & Terms**

### **Attendance & Storage**

- You may attend as many Studio Access sessions as you wish
- Work will be disposed of if you do not attend the studio for 28 calendar days
- This applies at any stage of the making process, due to limited studio storage space in a busy working studio

### **Health, Safety & Suitability**

- Studio Access is 18+ only
- Ceramics can be physically demanding and requires reasonable hand dexterity and grip strength  
If you have any concerns, please get in touch before booking
- Your first session includes a health & safety induction, which forms part of your booked session time

### **Studio Environment**

- The studio can be cold in winter  
Heaters are available, but please dress appropriately
- The studio is on a light industrial site, which means there is often noise from other working units on site

### **Cancellations & Punctuality**

- Cancellations or rescheduling requests made within 24 hours of the session start time are non-refundable
- If you arrive late, the session time cannot be extended

### **Membership Note**

Studio Access is offered as a flexible, pay-as-you-go option.  
There is no contract or minimum commitment.

**By purchasing a 'Studio Access' session, you agree to the above terms.**
